We at Kappa Studios are presented with many film and television projects every month. While we try to find merits in each project, we have to say, “No” far more often than, “Yes.”

Rarely are we presented with a project such as **33 DAYS**. Hearing of Pastor Huang’s story as well as meeting the team behind this transformative film has been very encouraging to say the least. We are thrilled to get behind this project in every way, and are pleased to offer this letter of intent to be the *finishing studio* to ensure this film looks and sounds spectacular. We also intend to promote this exceptional film through our marketing channels and throughout all our spheres of influence.

Pastor Huang’s story is an incredible account of God’s power, grace, and love, and we are confident that the film makers behind this project will do an extraordinary job bringing this impactful movie to life.

Count us in!
