INDEPENDENT ACCOUNTANT'S REVIEW REPORT

We have reviewed the accompanying financial statements of Community Ventures (a nonprofit public benefit corporation), which comprise the statements of financial position as of December 31, 2015 and 2014, and the related statements of activities and cash flows for the years then ended, and the related notes to the financial statements. A review includes primarily applying analytical procedures to management's financial data and making inquiries of management. A review is substantially less in scope than an audit, the objective of which is the expression of an opinion regarding the financial statements as a whole. Accordingly, we do not express such an opinion.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Accountant's Responsibility

Our responsibility is to conduct the review engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. Those standards require us to perform procedures to obtain limited assurance as a basis for reporting whether we are aware of any material modifications that should be made to the financial statements for them to be in accordance with accounting principles generally accepted in the United States of America. We believe that the results of our procedures provide a reasonable basis for our conclusion.

Accountant's Conclusion

Based on our reviews, we are not aware of any material modifications that should be made to the accompanying financial statements in order for them to be in accordance with accounting principles generally accepted in the United States of America.

Supplementary Information

The supplementary information included on pages 10 and 11 is presented for purposes of additional analysis and is not a required part of the basic financial statements. The information is the representation of management. We have reviewed the information and, based on our review, we are not aware of any material modifications that should be made to the information in order for it to be in accordance with accounting principles generally accepted in the United States of America. We have not audited the information and, accordingly, do not express an opinion on such information.

COMMUNITY VENTURES**NOTES TO FINANCIAL STATEMENTS****As of December 31, 2015 and 2014 and for the years then ended**

NOTE 1: NATURE OF ACTIVITIES AND SIGNIFICANT ACCOUNTING POLICIESNature of Activities

Community Ventures (the “Organization”) is a non-profit public benefit corporation organized on November 15, 2008. The Organization’s mission is to promote principles and policies for community economic development through the support of locally owned small businesses that are rooted in and dedicated to the communities where they are located and that prevent leakage of local dollars.

Financial Statement Presentation

The financial statements of the Organization have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America. The Organization is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers cash deposits, money market funds, and financial instruments with an original maturity of three months or less to be cash equivalents. The Organization holds cash and cash equivalents with FDIC insured financial banks and the Organization assesses its cash and cash equivalents to ensure funds do not exceed FDIC insured amounts.

Grants and Pledges Receivable

Receivables, representing amounts due from grantors and contributions pledged by donors, are stated at amounts estimated by management to be the net realizable value. The Organization periodically evaluates the collectability of accounts receivable and establishes a reserve for uncollectible accounts based on an evaluation of the specific unpaid account balances.

Property and Equipment

Acquisitions of assets in excess of \$500 are capitalized at cost. Property and equipment is depreciated using the straight-line method over the assets estimated useful life. Donations of property and equipment are recorded as support at their estimated fair value. Such donations are reported as unrestricted support unless the donor has restricted the donated asset to a specific purpose. Assets donated with explicit restrictions regarding their use and contributions of cash that must be used to acquire property and equipment must be reported as restricted support.

COMMUNITY VENTURES**NOTES TO FINANCIAL STATEMENTS****As of December 31, 2015 and 2014 and for the years then ended**

Absent donor stipulations regarding how long those donated assets must be maintained, the Organization reports expirations of donor restrictions when the donated or acquired assets are placed in service as instructed by the donor. The Organization reclassifies temporarily restricted net assets to unrestricted net assets at that time.

Contributions

The Organization accounts for contributions in accordance with generally accepted accounting principles (GAAP), where contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support depending on the existence and/or nature of any donor restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as satisfaction of program restrictions. Contributions with restrictions met in the same reporting period received are classified as unrestricted. All contributions are considered to be available for unrestricted use unless specifically restricted by the donor. Pledges for contributions are recorded as received and allowances are provided for pledges estimated to be uncollectible.

Contributed Services and Other In-Kind Contributions

Contributed services are recorded if they (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Organization. A number of volunteers have contributed significant amounts of their time in the Organization's program services, but are not recognized as contributions in the financial statement because they do not meet the aforementioned criteria. For the years ended December 31, 2015 and 2014 there were no in-kind contributions.

Functional Allocation of Expenses

The costs of providing the various programs and services have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program services and supporting services.

Income Tax

No provision has been made for income taxes, since the Organization is exempt from Federal income tax pursuant to Internal Revenue Code Section 501(c)(3). There was no unrelated business taxable income during the year.

The Organization has not recognized any cumulative adjustment relating to the adoption of FASB ASC Income Tax Topic, nor are there any unrecognized tax benefits to be disclosed as December 31, 2015. Uncertainty in income taxes for a not-for-profit organization would include the status of its exemption from taxes, status of filings in local jurisdictions, and unrelated business income, if any. The past three years tax returns remain subject to examination by the Internal Revenue Service.

COMMUNITY VENTURES**NOTES TO FINANCIAL STATEMENTS****As of December 31, 2015 and 2014 and for the years then ended**

NOTE 2: FAIR VALUE MEASUREMENTS

Financial Accounting Standards Board (“FASB”) guidance specifies a hierarchy of valuation techniques based on whether the inputs to those valuation techniques are observable or unobservable. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect market assumptions. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (Level 1 measurement) and the lowest priority to unobservable inputs (Level 3 measurement). The three levels of the fair value hierarchy are as follows:

Level 1 - Unadjusted quoted prices in active markets for identical assets or liabilities that the reporting entity has the ability to access at the measurement date. Level 1 primarily consists of financial instruments whose value is based on quoted market prices such as exchange-traded instruments and listed equities.

Level 2 - Inputs other than quoted prices included within Level 1 that are observable for the asset or liability, either directly or indirectly (e.g., quoted prices of similar assets or liabilities in active markets, or quoted prices for identical or similar assets or liabilities in markets that are not active).

Level 3 - Unobservable inputs for the asset or liability. Financial instruments are considered Level 3 when their fair values are determined using pricing models, discounted cash flows or similar techniques and at least one significant model assumption or input is unobservable.

The carrying amounts reported in the balance sheet approximate their fair value.

NOTE 3: RELATED PARTY TRANSACTIONS

On December 31, 2014 the Organization terminated its fiscal sponsorship agreement with Sustainable Economies Law Center (SELC). As part of the transition agreement the Organization was to transfer all money owed to or held for SELC. The balance of funds payable to SELC as of December 31, 2015 and 2014 were \$0 and \$44,576, respectively. For the year ended December 31, 2015, the Organization made payments to SELC totaling \$52,088. In addition, the Organization terminated employment of all employees working on the SELC program.

During 2015, the Organization terminated its contract with its previous management company and contracted with its Board President to provide management services for the Organization. For the year ended December 31, 2015, management fees paid to the Board President totaled \$3,000.

NOTE 4: OPERATING LEASE

The Organization leased office space at 2323 Broadway, Oakland, California. The Organization’s lease began on May 19, 2014 and was transferred to SELC on December 31, 2014. The monthly rent payment was \$3,325, for the years ended December 31, 2015 and 2014 occupancy expense totaled \$0 and \$20,744, respectively.

See accompanying Independent Accountant’s Review Report

COMMUNITY VENTURES**NOTES TO FINANCIAL STATEMENTS****As of December 31, 2015 and 2014 and for the years then ended**

NOTE 5: CONCENTRATIONS

The Organization received three grants that represented over 10% of total revenues for the year ended December 31, 2015, each representing a concentration risk, which were approximately 46%, 22%, and 13% of total revenues. The Organization received two grants that represented over 10% of total revenues for the year ended December 31, 2014, each representing a concentration risk, which were approximately 38% and 14% of total revenues.

NOTE 6: COMMITMENTS AND CONTINGENCIES

The Organization has received grants for specific purposes that are subject to review and audit by grantor agencies. Such audits may result in grantor agencies requiring a reimbursement from the Organization for expenditures disallowed by the grant terms. Management does not expect any such disallowances to be material.

NOTE 7: SUBSEQUENT EVENTS

Management of the Organization has evaluated events and transactions that occurred after the balance sheet date through September 2, 2016, the date the financial statements were available to be issued, and has determined that no subsequent events occurred that require recognition or disclosure in the financial statements.
