Any further equity participation shall be based on equal, pro rata, pari passu financial terms financial as stated for the Investor herein. The Budget is subject to change and the Company shall have the right to amend the Budget in its reasonable discretion.  - ii.  - f. Any development fund losses of the Company shall be allocated 100% to all development investors on a pro rata basis based on his/her/its capital contribution, though under no circumstances will the investors be liable for any amount in excess of his/her capital contribution.
